Jl. Dawuhan Rt. 05 Rw.02 Banjarejo Taman Madiun

Graduated from Dinamika University majoring in S1 Information Systems with a GPA of 3.47. When I was in college, I participated in several student activity units. I also internship as a website programmer. I am interested in seeking internship and career in UI / UX designer, front end developer, office administration. The skills and tools that I master are Figma for UI / UX designers, html css tailwind css for front end developers, and Ms office for office administration. Right now I am focusing on studying on bootcamps and courses to build a UI/UX portfolio.
